Chapter 1 by Tailors <3

A/N *The way I look at it, no one really cares about others. If you fall behind you are left behind.*

"Smile!" Everyone in class 9L smiled and the photographer snapped a picture. As everyone in the class went their separate ways two particular students met up. A boy with baby blue eyes and silky blonde hair, and a girl with burgundy hair and emerald eyes.

"Where is your brother?" The red-head asked.

"Not sure, he went out last night and didn't come back." The blonde replied solemnly. He was worried.

"Shouldn't you be worried?"

"He often goes out for nights at a time..."

"Well tell him to call me when you get home, okay?"

"Okay..." The blonde and the red-head also went their separate ways. I followed the blonde home, wanting to see his reaction. I saw him from a distance, he was walking up to the front door and unlocked it. He stepped inside and closed the door behind him. I simply floated through the wall and followed him upstairs. I saw his room. No answer. He opened the door and went inside. Showtime.
